

# Welcome! 🙌

I'm Danio Nascimento, Full Stack Developer JR at [Software4U](#). I like challenges, I'm always looking to learn new things.

- 🚀 I am currently learning and improving Node, VueJs, AWS, Golang, Django, TDD e Clean Architecture.
- 🏠 I work remotely using the technologies: Django, VueJS, Typescript, Mysql, Postgres, AWS, git, ...
- 🤝 I'm looking to collaborate on Educational and Social impact open source projects
- 📧 How to reach me: [daconnas.dcn@gmail.com](mailto:daconnas.dcn@gmail.com)
- 📄 See my resume by [clicking here](#).

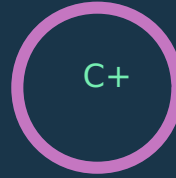

OS Linux

Editor VSCode

Code JavaScript&&TypeScript&&Python

Interest Docker&&AWS
